AUDIO/VIDEO EXPERIENCE

Audio Visual Event Technician, Encore

04/2024 - Present

- Troubleshoot various audio, lighting, and projection equipment for customer events in conference rooms and ballrooms
- Integrate, manage, & maintain network and broadcast devices
- Install, commission, and operate AV systems in event and production spaces

Audio Engineering Intern, Lokey Recording Studios, Atlanta, GA

07/2023 - 01/2024

- Coordinated studio sessions for a facility hosting three recording studios
- Utilized Avid Pro Tools to record vocalists and demonstrate a multitude of mixing techniques
- Implemented the management of documents and engineering data

Recording Studio Intern, BNDWTH Recording Studios, Atlanta, GA

07/2022 - 12/2022

- Prepared studio sessions by assembling and disassembling audio equipment for a facility hosting three recording studios, a content studio, and event space
- Managed and maintained audio levels for podcast productions
- Strategically patched and placed microphones to ensure optimal sound

Production Services Technician, Middle Tennessee State University

01/2020 – 08/2021

- Spearheaded the set-up and tear-down of audio equipment for 50+ on-campus shows/sets
- Patched and placed instruments, microphones, and monitors for bands up to 14 members
- Organized and executed project plans related to audio, lighting, staging, video recording/editing, photography, and production design
- Maintained and assisted with troubleshooting equipment and software issues
- Facilitated solutions in handling equipment challenges and changes in a timely and professional manner

Video Editing/Music Production Lead, Rap Plug Inc.

05/2021 – 08/2021

- Sparked a 20% increase in social media click rate by curating promotional videos and graphics using Adobe Photoshop and Adobe Premiere Pro
- Produced video content for the Chris Brown Experience hosted by Rap Plug Inc.
- Cultivated music for videos, events, promotion, and livestreams

Video Editing/Graphic Design Lead, BLEAV Podcast Network

01/2021 – 04/2021

- Created promotional videos and social media graphics to promote 25+ sports podcasts
- Acted as lead graphic designer for two campaigns, which resulted in an average of a 4% increase in social media click rate

RELEVANT EXPERIENCE

Crew Member, Chipotle

04/2024 - 12/2024

- Ensure food safety (prevent time & temperature abuse of TCS food and cross-contamination)
- Keep an up-to-date knowledge of major allergens presented in current menu
- Serve food accurately, quickly, and maintain correct portion sizes to minimize food costs
- Balance short ticket times with cleaning tasks throughout shift to ensure a clean and safe working environment
- Open and close the store as scheduled (completing all cleaning and prep tasks assigned)

Resident Assistant, Middle Tennessee State University

08/2021 – 12/2022

- Reported and documented maintenance requests to correct safety and or cleanliness concerns
- Systematized inventory and supplies, and coordinated incoming deliveries
- Provided students, their parents, and others with campus crisis and safety in residence halls
- Oversaw the residents of the dorm and facilitated residence hall programs and events
- Orchestrated and performed dormitory inspections and safety drills

Sandwich Maker, Subway

04/2018 – 01/2020

- Prepared quality products while maintaining proper food safety practices, portion control, and presentation within service goal times, and resolved any customer concerns
- Utilized the point-of-sale system and cash register to record orders and compute the total amount
- Conducted opening and closing operations of the store ethically and professionally
- Interacted with customers in person and over the phone, and managed catering orders
